**NEWS RELEASE – “BIG CYPRESS ELEMENTARY STUDENTS USE NOOK E-BOOK READERS”**

Big Cypress Elementary School (BCE) students in grade 3 through 5 will start the new year with the latest technology. BCE’s Media Center recently acquired 25 Barnes and Noble Nook eBook Readers for student use at the school and for checkout to take home. The Nooks will be available to BCE teachers and students beginning in January.

Nooks are electronic readers that give students an exciting new reading tool and a whole new meaning to library books. With Sunshine State Young Reader Award books and grade-level appropriate titles pre-downloaded to each device, students will have reading at their fingertips.

The Nooks will be available to students in grades 3-5 for a one week check out period. Permission slips signed by both the parent and student are required. Forms will be sent home and will be available in the BCE Media Center.
