

In order to keep our students safe, we please ask that you have a valid Identification Card when picking up your child.

Early Release Procedures:

On occasion, it may be necessary for a student to leave school during school hours.

If so, please observe the following:

- Restrict interruptions of your child's school day to emergencies only.
- Schedule appointments during non-school hours whenever possible.
- Sign out takes an authorized parent/guardian signature and picture ID; therefore, a parent/guardian must come into the building to sign out their child.
